

←350 at the Art Crawl

A candlelight walk on James Street North starting from the City Centre at York and James in support of real action on climate change (Coinciding with the monthly James North Art Crawl)

7 pm - Friday December 11

**Take action on climate change
Send a message to Copenhagen**

We must quickly lower the atmospheric levels of greenhouse gases to no more than 350 parts per million of carbon dioxide. Please join us in Hamilton's contribution to the world-wide actions taking place mid-way through the negotiations in Copenhagen on a new global climate treaty.

October 24, 2009 rally by over 350 people at the Federal building in Hamilton

Organized by the Hamilton 350 Committee
