

*Moving away from fossil fuels*

# CARBON CYCLE

**September 23-24**

Take action on climate change.  
**Oppose tar sands and coal.**

Join or support the 75 km cycle to the Nanticoke refinery of ExxonMobil, tar sands exploiter and the major financier of climate change deniers, and to the Ontario Power Generation coal-fired facility, the continent's largest greenhouse gas source. Camp overnight and return to Hamilton for the

**September 24 rally  
Global Day of Action  
on Climate Change  
Gore Park 1-4 pm**
